

The logo features a stylized 'I' composed of two white rectangular blocks: a taller one on the left and a shorter one on the right, positioned above the main text. The word 'ITEMPUS' is written in a bold, white, sans-serif font to the right of the 'I' blocks.

ITEMPUS

It really isn't that hard to design an effective capacity market if your objective is security of supply at lowest cost to customer:

- Equal contract length for all participants
- Ensure wide participation by making minimum participation size small - 100kW
- No hidden complications in the rules and regulations
- Use the customer recharge methodology act as a secondary incentive to smaller customer to the scheme keeps getting cheaper for customers over time
